

## **Field of Dreams Project - “Soccer Equipment Round-Up”**

The Organizing Committee of the Mini World Cup Tournament Series will once again be collecting gently used soccer gear. It is our goal to collect enough donations that will then be distributed to approximately 600 young athletes throughout Namibia Africa.

The most cherished items include jerseys; shorts; shin pads; soccer socks and gently used soccer cleats.

It is our sincere hope that your soccer club or individual team will be inspired to participate in this years **“soccer equipment round-up”**. The deadline for the collection of donations will be September 19, 2008.

**Please email us to make arrangements for the pick-up of your donations:**

## **Bicycles for Humanity**

The Mini World Cup Tournament Series is a solid supporter of Bicycles for Humanity.

Bicycles for Humanity sends used bikes to developing countries to help improve access to healthcare, education, food, water and employment.

*Help improve a life...  
Send your old bike on a new journey to Namibia Africa*
